Sub: Alienation of Ac.25.00 of Government land for construction of Integrated Infrastructure Complex (IIC) for Senior Citizens, Rehabilitation of PwDs, Drug -addicts & Transgenders

Sir,

Please refer to this Department Letter No.5223 dated 29.07.2016 regarding alienation of 25 acres of Government land for construction of Integrated Infrastructure Complex (IIC) for Senior Citizens, Drug-addicts and Transgenders.

2. Provision of social security to the vulnerable population is high priority area for State Government. Large number of grievances are being received for provision of homes, vocational training, educational facilities and jobs from the neglected sections of the population such as indigent Senior Citizens, PwDs, Drug-addicts, Transgenders, Beggars, Leprosy affected persons and other groups suffering destitution. Government desires to build common facilities for them so that they can be protected and rescued from inhuman living conditions and provide basic minimum care. District Collectors were requested earlier on 29.07.2016 to identify 25 acres of land where all amenities could be created for the vulnerable population.

3. Districts like Deogarh, Ganjam, Kandhamal, Khurda, Malakangiri, Puri & Rayagada have already identified the land. You are requested to take immediate steps to identify/alienate Government land for early initiation of the IIC Project within a month. The DSSOs of the concerned districts have already been authorised to submit requisition for alienation of land and take over physical possession.

Yours faithfully,

*N. Chandra*  
Principal Secretary
